

## FRANÇAIS ORAL / CONVERSATIONAL FRENCH

### Beginner 2 – *Comme un gant!* Theme: Clothing

At the end of the 33-hour course, the learner should be able to say:

- I can understand simple instructions.
- I can follow simple directions, for example, "Turn left."
- I can understand very simple statements and questions about concrete, familiar subjects, such as clothing, sports and leisure activities.
- I can recognize some very common idiomatic expressions, such as expressions about the weather.
- I can understand basic numbers in context (price, time, date).
- I can name several items of clothing and accessories.
- I can talk about clothes and describe them in a very simple way.
- I can use some grammatical expressions, such as *en train de...* and *venir de...*
- I can introduce myself and give some information about myself.
- I can use very simple sentences to speak about my activities and my habits.
- I can express likes and preferences in clothing and leisure activities.
- I am starting to be able to talk about the past and the future.
- I can exchange greetings, ask how people are doing and answer appropriately.
- I can understand and use simple expressions of politeness.
- I can ask someone to speak louder or to repeat something.
- I can ask the meaning of a word.
- I can ask very simple questions.
- I can take part in a very simple conversation about clothing, for example, speaking to a salesclerk in a shop.
- I can ask for and give the time.
- I can talk about the weather.
- I can ask for or offer something to someone.
- I can ask for directions or indicate how to get somewhere on a map.
- I can make simple purchases.
- I can understand brief, simple written messages (for example, a label or a poster).
- I can look up words using a dictionary or illustrated resource material.
- I can write a short description of a familiar object such as an item of clothing.
- I can write simple sentences about myself and my activities.

*Context: The other person speaks slowly and distinctly and is willing to help if I need it, for instance, by repeating something.*
